

NAVI-
GATING

THE

META-
MODERN

Sat.
March
19th
2016

9:00 a.m. – 6:30 p.m.

@ the Centre for Social Innovation
--- the ANNEX --- 720 Bathurst St.

Metamodernism calls for a return to romanticism, affect, and hope. It reopens the possibility for grand narratives and suggests that irony and sincerity are not mutually exclusive concepts.

Metamodernism is not characterized by oppositions or polarities, but rather explores the possibility of oscillating between perspectives and finding empowerment in that uncertainty.

KEYNOTE SPEAKER

--- Dr. Kevin Coleman ---

PANEL 1
**What is the
Metamodern?**
